PANEL NAME	PANEL DESCRIPTION
UA Kidnapping	Villains have attacked UA and taken a hero hostage! But instead of them using the hero as a hostage to get what they want, they have other plans in mind... Plans including Mad Libs, Q&A, Quick Changes and so much more!
Voice Maker	Noted voice actor Paul St. Peter brings a fun, practical, and accessible approach to voice and character creation that can benefit any speaker, from beginner to expert. He will share his experiences in anime and video game production, and call upon brave volunteers from the audience to assist him in showing how the process works. Those interested in attending the following panel (Voice Performer) will return and perform assigned auditions, scenes, narration, and commercials. Come and see how we actors create these fun and sometimes wild voices! Are you brave enough?
Bakusquad Bunnies	Ever wonder what a bad fanfic would look like if it came to life? Well wonder no longer! The Bakusquad was having a normal day when all of a sudden they were hit with a gender bending quirk that no one saw coming...
Voice Impression	People impersonate anime voices or voice lines
Voice Performer	Welcome to graduation day! Mr. St Peter will talk briefly about the previous panel (Voice Maker), and then the attendees who rehearsed their assigned material will be on stage! Audience members will be asked to comment about the voices and performances they hear, and Mr. St. Peter will give notes and offer advice, and have the speakers do re-takes. Let's all see how creative and inventive our fellow Con friends can be!
Goin' Down to South Park	Come down to South Park and have yourself a great time! The kids are out of school and ready to have a great Halloween with the new kid... You! They've got plans to play some games and get plenty of treats! Question is... Are you in?
Pyrate Curses	Well brush my barnacles and flog me for a Dutchman! Drop anchor shipmates, and rest yer bones with old Frenchy! Take an hour and learn about pyrate lore and pyrate lingo. As my crew ye will cross cutlasses using curses, insults and oaths from the great age of piracy on the high seas! There be pyrate swag for all who brave the buccaneer waters, and special prizes for the boldest and best cursing and insulting scalawags among ye! Beware ye honest land lubbers; Ye be sailing in pyrate waters!

Pokémon Trivia	Contestants face off using their knowledge of the Pokémon universe to compete for prizes. Trivia will consist of both broad and specific categories such as; Pokémon typing, Pokédex Trivia, Evolution Tree Questions, and Who's that Pokémon. Contestants will compete in rounds that will be based on difficulty to allow a fun experience for everyone ranging from Average Pokémon Enjoyer to Pokémon Masters.
Sound Off Voice	Wanna hear about your fave voice actor's latest projects? How about that burning, over 18 question, you have wanted to ask your voice crush? And what does your favorite actor drink in his or her quiet moments? Sound Off Voice Actors is a panel where the audience and guests let their hair down and get to know each other! Let's have some fun!
This is no Zaku b	Remember that giant robot show on Toonami after school? This is it! Come join us for an hour of Gundam fun and a game show at the end!
An Anime and Ha	Watch a professional recorder player as he performs anime themes, video game music, and Halloween-themed melodies, all on his recorder. A Q+A session will follow after the performance, where he will discuss how he adapts music onto the recorder for performance.
The e p h e m e r	Multiple genre DJ, producer, and convention veteran Tricat Meows brings their different personas and genres to the inaugural Anime Halloween. Tricat has played venues like Exit Chicago and Cairo, as well as conventions at Hyatt O'hare, and can't wait to bring their sets back to convention dances.
